

Dr. Lee and Maryanne,

My family and I would like to take this opportunity to thank you for the great work you have done on my teeth and the effort you put forth to allow for convenient billing.

I'm looking forward to my next visit.

Charlie

Thank You

dear dr. lee

Thank you, again, for taking such great care of me.
You are the most talented and gifted dentist
on the planet!!!

Thank you also for the fantastic bottle of wine.
You are so kind and thoughtful.

We have to plan to get a "foursome" together
for dinner. You've got to see my great smile
in action!

Thank you again & again. God bless you.

Kenneth & Mary Ann:

I wanted to take a few minutes when I got home to thank you for your care and concern while I was in Tong Beach. It was a comfort to have the kind of care I received from your office while away from home.

Thank you so much again.

Sincerely,

Deidre St. Roman
